

Acquisition of FARWEST AIRCRAFT, INC. – US Aircraft Maintenance Equipment Manufacturer

ALL NIPPON AIRWAYS TRADING CO., LTD. (Head Office: Minato-ku, Tokyo / President: Ken Nishimura; hereinafter “ANA TRADING”) herewith announces the acquisition of 100% of all the shares of FARWEST AIRCRAFT, INC. (Head Office: State of Washington, U.S.A.; hereinafter “FWA”), through our wholly-owned subsidiary, ANA TRADING CORP., U.S.A. (Head Office: State of California, U.S.A. / President: Hideto Osada) commencing on May 1. FWA is a leading manufacturer and distributor of OEM designed Aircraft Maintenance Tooling and Ground Support Equipment

FWA was founded in 1967. The company is a licensed manufacturer of The Boeing Company, for the production and distribution of their respective Maintenance Tooling*, with its headquarters based in the State of Washington, U.S.A. FWA customer base includes The Boeing Company, Airlines around the world, as well as most of the Aircraft Maintenance, Repair and Operations Companies. FWA has an excellent reputation in the industry, and has been a multiple recipient of the The Boeing Performance Excellence Award. This Award is only presented to suppliers that have demonstrated a high level of customer satisfaction and performance.

ANA TRADING has built a good relationship with FWA for more than 15 years. Growth in the aircraft maintenance equipment industry is expected due to the increase in aviation demand. Through the acquisition of FWA, we ensure to provide our current and future customers even higher quality products and services. We will achieve this by utilizing the sales network and expertise possessed by our firm, accumulated over many years, with now adding the advantage of the manufacturing technologies and sales network knowledge, from FWA.

*Aircraft Maintenance Tooling and Ground Support Equipment, as specified for each type of aircraft and engines
